Traction and auxiliary inverter cooling

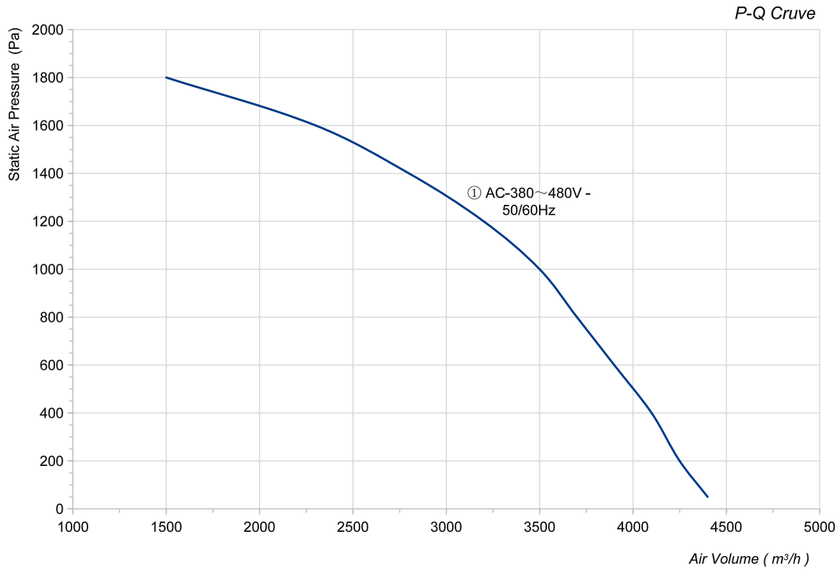

Product Characteristic

- Train Types: Urban rail transit
- Product Code: PMSM02C
- Material: Q345E/5754
- Protection Class: IP56
- Insulation Class: H
- Weight: 22kg
- Application Units: Urban rail traction and auxiliary inverter

Technical Specifications

Model	Voltage (V)	Frequency (Hz)	Input Power (KW)	Current (A)	Air Flow (m^3/h)	Air pressure (Pa)	Speed (RPM)	Noise [dB(A)]
LWBE(RT)320-PT-04	AC380-480V	50/60	2.2	3.8	2520	J1500	3400	＜80
